**OM 4/03/20/53 DECLARATIONS OF INTEREST**

Councillors Elizabeth Bruce and Alan Bruce declared a registered pecuniary interest in the only item on the Agenda (to discuss introducing a new charging regime for allotments in Chilton Parish based on size bandings) because Councillor Alan Bruce is an allotment tenant.

As Councillors Elizabeth and Alan Bruce indicated that they would listen to David Banks presentation but not participate in the debate or vote because of their interest in the matter this meant that in accordance with The Council's Standing Order 3v as there were not 4 voting members present the meeting was inquorate and no decision could be made.

David Banks kindly gave his presentation to the meeting but as no decision could be made because the meeting was inquorate, arrangements were made for Mr David Banks to come and the Council on this matter at the meeting scheduled for 10<sup>th</sup> March 2020.
